

To: The Clerk ...

On September 15, 2014 the court ordered that the defendants motion to dismiss be denied and that our case be referred to Judge Vadas for settlement conference within 180 days of the Courts order.

I have not heard from the court since and I am only writing because there have been several problems with the delivery of legal mail here in the Security Housing Unit and I do not want to miss any deadlines that the court issues. I just want to ask if any date/order has been mailed since the September 15, 2014 order. Thank you very much for your time.
